

Label the British Isles

MIND

think and do

No maximum number
depending on adequate
supervision

10-15 minutes

Aim: To label a map of the British Isles

Equipment:

- Template
- Pens/pencils

Instructions:

Label the details below onto the template of the map.

Atlantic Ocean	– water to the west of the British Isles
Belfast	– the capital of Northern Ireland
Cardiff	– the capital of Wales
Dublin	– the capital of Republic of Ireland
England	– the largest area in the United Kingdom bordering Wales and Scotland
Edinburgh	– the capital of Scotland
English Channel	– water to the south of England which separates it from France
Hebrides	– islands off the northwest coast of Scotland
Republic of Ireland	– a country west of England across the Irish Sea (not part of the United Kingdom)
Irish Sea	– the water that separates England and Republic of Ireland
Isle of Man	– an island in the Irish Sea
Isle of Wight	– an island off the southern coast of England
London	– the capital of United Kingdom (England)
North Sea	– the water between the northeast of the British Isles separating it from northwest Europe
Northern Ireland	– a part of the United Kingdom bordering the Republic of Ireland
Orkney Islands	– islands off the northeast coast of Scotland
Scotland	– a part of the United Kingdom bordering England on the north
Shetland Islands	– islands far off the northeast coast of Scotland (furthest point north in the British isles)
Wales	– a part of the United Kingdom bordering England on the west
Channel Islands	– a group of islands off the north west coast of France

The stars denote the capital cities.
